

National Sport Academy Pty Ltd Policy for Refund or Cancellation

1. SCOPE OF THE POLICY

No refunds will be given unless:

- Registered player sustains an injury prior to event. Medical certificate must be present.
- Family or close related death that prevents player from attending.
- A player or parent notifies National Sport Academy Pty Ltd of intent to cancel, no later than two weeks prior to event commencement, minus the admin fee*.

**Please note, a \$50.00 admin fee will be non-refundable once paid by the player or parent. This is to cover costs of scheduling and administrative duties.*

Due to the ongoing uncertainty of COVID19, NSA has amended the refund policy to include the option for players to be able to cancel their attendance at an event, and receive a full refund (or credit toward future events), up until two weeks out from camp commencement. If intent to cancel occurs within the two weeks, NSA will still refund or credit the player, minus the administrative fee aligned with all other programs.

I acknowledge and agree that National Sport Academy Pty Ltd reserves the right to cancel this event at any time without notice due to pandemic (COVID19) and Government gathering restrictions. I acknowledge and agree that National Sport Academy Pty Ltd is not liable for any costs incurred to me, as a result of this cancellation (e.g. flights, accommodation, or annual leave consumed).
